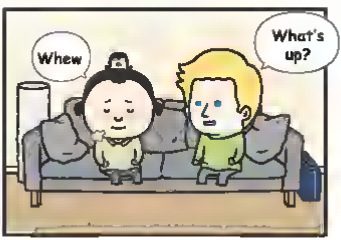
Past and Present: Part1

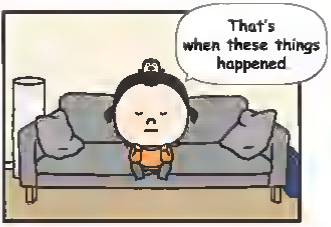
The New Year came

It's definitely exciting that
I can set New Year's goals and
get ready for new chances.



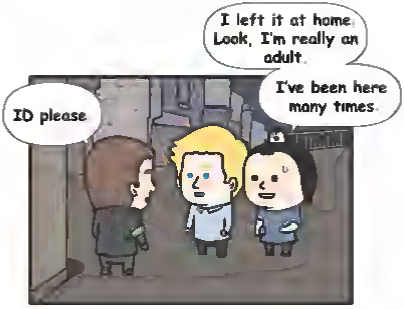
However, I'm not so happy that times flies by..

Especially, from last year, I started to realize that I'm getting old

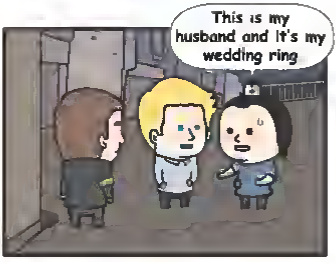


① ID

When I was out with Mev at night.



I left it at home. Look, I'm really an adult.
I've been here many times.
ID please

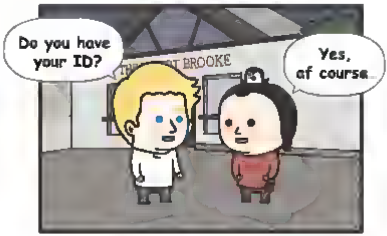


This is my husband and it's my wedding ring

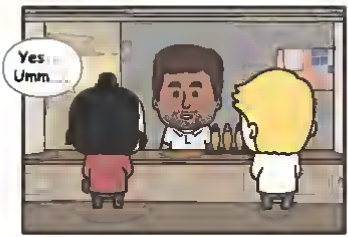
No
We need your ID.

Oh
Penguin
God damn it!
This sucks!

Past

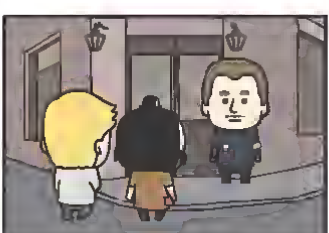


A pint of larger, a glass of red wine please.



I was happy
when people asked me for my ID.

Present



Open wide

Penguin~ This bouncer didn't ask for your ID as well~
Whispering

The chances to show my ID are reducing rapidly.

Ahah...
I'm getting old

To be continued...
